

***And Yeshua said:
„Whosoever wants to follow Me,
deny yourself, take your cross upon you and follow Me.“***

This verse just came into my mind while I was thinking about what to write about the three weeks spent with „Trumpet of Salvation to Israel“. I can just say, that I'm on fire for the Lord and what a blessing it is to get a real taste of what it means to live true discipleship. God has used this time to teach me more about humbleness, about caring and loving all of my brothers and sisters the same and about obedience too.

To march as a group in unity of the spirit and love of the Messiah, has showed me, what a great impact we can have on the people of Israel, the chosen nation.

A very special experience was to meet with the religious people at the demonstration against the disengagement of the Gaza Strip. I felt so much love and respect for those people, even though some of them didn't really like to see us there. But most of them were really happy about our joyful singing.

As Jacob gave us some time of going around in little groups, to get in touch with the settlers, we met with Judith and some of her daughters. We had a nice conversation with them, they offered us cookies and water. I wished so much to find a chance to also speak about how the Jewish Messiah Yeshua had changed my life and that it was through Him that I had come to love the Jewish people. I could really share with them my personal testimony and as I mentioned the Name of Yeshua, their eyes kept on shining. I also thanked them, for it is through Israel, that we, the Gentiles, have come to know the only true God, the God of Abraham, Isaac and Jacob and His Messiah Yeshua. I know that this precious people felt God's love in us and couldn't resist it. After asking them for forgiveness because of so much suffering and persecution that had been brought to the Jewish people by the Christianity as a religion, we sang a song to them. We could literally see how the Holy Spirit brought a wonderful joy to the hearts and faces of those precious Jewish people. What a joy!

I am longing for the time to come, when the Jews and Gentiles will be one heart and one soul, as we see the first fruit of it now. Ephesians 2,13-16
